Summary Web Developer specializing in Ruby on Rails, HTML, CSS and JavaScript. Experienced in all stages of the development process. Strong background in team-building, communication and customer service.

Languages Ruby, JavaScript, C#

Skills HTML, CSS, PostgreSQL, Heroku, AWS, Github, Visual Studio

Experience

The Firehose Project   **Jan 2017 – April 2017**
Remote Junior Web Developer

Worked on a team with 5 developers to build a Ruby on Rails Chess Application. The team used Trello and Slack and we held weekly sprints utilizing AGILE and SCRUM methodologies. Would frequently pair program with other team members to achieve weekly goals. Responsible for software design and development as well as writing unit test cases to ensure complete test coverage.

PGA Golf Professional   **May 2003 – Oct 2017**
Class A Teaching Professional / Head Professional

Expert in management, communication and contributing to a team. Provided exceptional customer service to my members and their guests. Dedicated and proficient problem-solver, as I have given over 2000 hours of instruction to students of all levels. Hired, trained and scheduled a staff of as many as 30 people during my tenure. Comfortable with multi-tasking, as well as meeting and achieving goals in a timely fashion.

United States Marine Corps   **1992 - 1998**
Information Systems | Platoon Sergeant

Directly responsible for base-wide computer upgrade of 750 work stations. Tasked with software and LAN installation during the upgrade. Once complete, was part of a small team that worked on software troubleshooting, computer repair and micro-miniature soldering. Held a "secret" security clearance and achieved the rank of Sergeant (E5).

Education

The Firehose Project   **Oct 2016 – April 2017**

Coding boot camp that teaches Ruby on Rails, Web Development, Algorithms, and Data Structures. During the program, I built 6 fully functional web applications that helped me to apply and understand MVC Architecture, Object Oriented Programming, inheritance and test-driven development.

Mississippi State University, BBA   **1998 - 2003**

Emphasis in Marketing and Professional Golf Management

Awards Navy and Marine Corps Achievement Medal

Memberships Class 'A', PGA of America
